Another first from General Tire:

We'll give you a mile and a half for every mile you're getting now.

If you're retting 20,000 miles on conventional tires, look for 30,000 miles with the new General Jet-Radan Radial. Safe miles. And you'll get that 50% mileage dividend no matter how hard you drive.

Our most efficient tire. to your tires. And a whole new The new let-Radan gives you more usable power and increased traction. Two things that help in tight passing situations. Or on slippery roads. It even saves you

Unparalleled safety. General's new radial construction gives tremendous resistance to the damaging

money on gasoline.

shock of porboles. And the blowouts that can result. The radial construction of the new let-Radan combines with a Dual Traction tread to give you more contact with the road. The tread wor't life off on share turns. Your car

has more stability-even at high speeds.

Talk to an expert Only your General Tire Specialist can explain everything that the new Jet-Radan Radial can do for your driving, It will give a life and a half

Isn't there an easier way to earn my Canadian Club?

No.

Meet the man who makes an honest bourbonbut with manners.

Bourbon came out of the hill country. Honest but unmannered. How to make an aristocrat out of it was a challenge to

I.W. Harper. He started by keeping the true honest taste of bourbon but polishing off the rough edges. Which

explains why Mr.
Harper's whiskey
is known as honest
bourbon—but with
manners.

And which explains, too, why winning medals all over the world got to be a habit with I.W. Harper.

COLD MEDAL

One of the medals won since 1872 for being honest bourbon-
